On Sunday, January 19<sup>th</sup>, Norfolk Padel will open the brand new, purpose-built Padel Centre at New Barn, Waterhouse Farm, Fakenham, Norfolk, NR21 0LA.

The building housing the Centre has been a project between M J Goodley and Partners and North Norfolk Council, whose support has made the creation of the Centre and its sporting facilities possible. This North Norfolk Rural Business and Community Project is part-funded by the UK Government through the Rural England Prosperity Fund, was supported by North Norfolk District Council and delivered in Partnership with Norfolk County Council. We are very grateful for the work that has been put in by all concerned to complete this project within the short timeframe available.

The Centre has two indoor courts and one outdoor and will be open daily from 7:00 a.m. until 10:00 p.m. Booking is online, through the Norfolk Padel website – [www.norfolkpadel.co.uk](http://www.norfolkpadel.co.uk).

Norfolk Padel looks forward to the Centre providing recreation, sporting and fitness facilities to the whole community of all ages and to its visitors for many years to come, and to encourage the uptake of this new game and the development of its skills. Norfolk Padel are grateful for the support on this project and look forward to working further together with NNDC.

The Rural Fund supports capital projects for small businesses and community infrastructure. This will help to improve productivity and strengthen the rural economy and rural communities.
